Locations of Company's Properties

Strategic Investment- Oil & Gas Exploration

- FROST participated in the NELP IX auctions that allow new players to participate in the process of exploration of oil and natural gas.
- FROST won and was awarded an onshore, 49 square km block for exploration spread across the districts of Mehsana and Patan in the Cambay Basin, Gulf of Khambhat in the state of Gujarat.
- On 28 March 2012, FROST along with another entity, Pan India Consultants Private Limited (“PICPL”) entered into a production sharing contract (“PSC”) with the Ministry of Petroleum and Natural Gas for the discovery and exploration of petroleum resources at the contract area identified as Block CB-ONN-2010/5 (“Oil Block”). AS per the PSC, FROST and PICPL were to provide necessary technical and industrial competence along with financial and technical resources for the exploration, development and production of petroleum.
- FROST’s participating interest in the Oil Block is currently at 20%.
- The PSC executed by FROST and PICPL with the Government of India mentioned that the lease period for the production of petroleum would be for a period of 20 years (i.e. from F.Y. 2022-23 to F.Y. 2041-42).
- As per the internal estimates of FROST, considered oil reserves are approx. 3.85 million barrels. This would be the aggregate production of petroleum after the removal of impurities.
